# When Others Fail

#### Write Me a Postal--I'll Send You a Way to Get Well

Send no money-just a postal card, stating which book you need. Then I will mail you an order on your druggist for aix bottles Dr. Shoop's Restorative. You may take it a month to prove what it can do, if it succeeds, the cost is \$5.50. If it fails, I will pay the druggist myself. And your mere word shall decide it.

No matter how difficult your trouble, nor how many treatments have failed. My way does not fail, save when some cause like cancer makes a cure impossible. I am willing to take the risk, and trust you to be

Why not stop common treatments for a little while and learn what, my way can do? If I have enough faith to make such an offer, is it not pretty certain that I know how to cure? If my way often failed the losses would ruin me.

In the past twelve years I have furnished my Restorative on trial to more than half a million patients. My records show that 39 out of each 40 have paid for the treatment gladly, because they got well.

I worked a lifetime on my Restorative before I ever made this offer, I perfected it until it will always strengthen the inside nerves. It brings back this nerve power which alone operates every vital organ. When an organ fails in its duty, the fault seldom lies in the organ,

It is like a weak engine; it needs more steam. My Restorative brings back the power that it needs, and makes it as strong as it ever was. In these chronic diseases there is rarely any other way to a cure. And this way doesn't fail in any case that is curable. Try it for a month at my risk, and you a know.
